

Manufacturer's Declaration on Quality

The Sagemcom Dr. Neuhaus GmbH produces all products at the plant section Rostock. The production process complies with the requirements of following international standards:

DIN EN ISO 9001
DIN EN ISO 14001
DIN EN ISO 27001

The executive board ensures that all delivered products comply with the requirements of international standard **IPC-A-610 Class 2** – “Acceptability of Electronic Assemblies”.

Unless the customer requires a special solder technology with using lead (Pb), all production is lead-free.
