

Energy connected securely

Sagemcom Dr. Neuhaus at metering days 2024

Hamburg, Germany, September 19th, 2024

Sagemcom Dr. Neuhaus GmbH, one of the leading providers of smart metering and smart grid solutions, will be represented at metering days in Fulda from 20 to 21 November 2024. Under the motto "ENERGY CONNECTED SECURELY", the company will present its team and the latest developments for the digital energy transition.

Highlights include:

- the **first basic meter series with update feature SMARTY BZ-SLP** for 60A and 100A;
- the new firmware for the **Smart Meter Gateway (SMGW) SICONIA® SMARTY IQ-LTE**, which offers metering point operators greater security and performance;
- the **SICONIA® ES4 and ES6 EVO series ultrasonic gas meters, which can be connected directly to an SMGW via WM bus for the reliable transmission of high-precision consumption measurements;**
- our **ultrasonic water meter SICONIA® Water WM series**, which provides a solution for efficient remote monitoring of water consumption for water utilities;
- our tried-and-tested ZDUE series for meter data transmission via LTE, LTE-M (CAT-M1) and analog.

Visit us at **booth D1** and let our team of experts advise you. We look forward to a lively exchange with you – around the highlights – and of course also about the other products from our smart meter and communication portfolio.
